

BECAUSE LIFE DOESN'T ORGANIZE ITSELF

## **Breathe easier. We'll guide you the rest of the way.**

At Life: Sorted, we make it simple to get your affairs in order. Whether you'd like us to prepare your essential documents, guide you through the organizing process, or give you the tools to do it yourself. Every option is designed to bring clarity, calm, and peace of mind to you and your loved ones.

## **Choose the Path That Fits You**

### ***1. Document Preparation***

#### **We handle the paperwork, so you can focus on what matters most.**

From simple wills and powers of attorney to healthcare directives and HIPAA releases, we prepare the essential planning documents most families need. Each is completed based on your instructions, notarized, and delivered with both originals and secure digital copies.

### ***2. Consulting Services***

#### **We'll organize everything together.**

Through one-on-one consulting, we help you gather, structure, and complete every piece of your Legacy Binder: legal, financial, property, insurance, and personal details alike. You'll finish with everything in one place and the reassurance that your family will know exactly what to do when the time comes.

## **Our Promise**

No matter which path you choose, you'll receive step-by-step guidance, friendly support, and a clear plan to bring order and peace of mind to your life. You don't have to face it

alone. We're here to make sure everything is thoughtfully arranged, easy to understand, and ready when it matters most.

**This is more than paperwork.**

It's a loving act of preparation, and we'll help you complete it your way.
